## Science Day invitation to parents - Thursday 25<sup>th</sup> January 10am

Dear Parents/carers,

On Thursday 25<sup>th</sup> January the whole school will be taking part in Manor Infants first ever Science day! The theme for this day is 'Mud' and all classes will be conducting mud themed investigations and experiments throughout the day.

As part of their investigations the children will be taking mud samples from the playground and making their very own mud. They will then be conducting a mud based investigation.

We would like to invite you into the classrooms to help your child. You are welcome to join us at 10am until 10:45am on Thursday 25<sup>th</sup> January to help carry out the mud investigation.

No babies, toddlers or siblings on this occasion as we are working in the classrooms and so do not have the space.

Please come and support your little scientist in their investigations!  
We look forward to seeing you then.

Mrs Darby  
Science Coordinator
