Science Day invitation to parents - Thursday 25th January 10:15 am

Dear Parents/carers,

On Thursday 25th January the whole school will be taking part in Manor Infants first ever Science day!

The theme for this day is 'Mud' and all classes will be conducting mud themed activities and experiments throughout the day.

As part of their investigations the children will be making their very own mud and creating mud pictures.

We would like to invite you into the classrooms at 10:15 am to join your child in creating their mud picture.

No babies, toddlers or siblings on this occasion as we are working in the classrooms and so do not have the space.

We look forward to seeing you then.

Mrs Darby
Science Coordinator
