Dear Parents and Carers

Rotary Shoe Box Appeal 2017

After such fantastic support last year, the Young MP's have decided that once again they would like to help support the Rotary shoe box appeal. This appeal sends Christmas presents to disadvantaged children in Romania and Albania. Often the Christmas shoe box is the only present that these children will receive.

Our aim is for each child and staff member to make a school box to help children in the most disadvantaged areas.

Please choose whether you want to make a box for a boy or a girl and then choose the age range you would like, either 1-3 year, 4-7 years, 8-11 years or 12-15 years. Items that can be out in the shoe box must be **new** and we have included some suggestions below:

- Educational games
- Hat and gloves
- Soap and hairbrush
- Picture book
- Jigsaw
- Skipping rope/sports accessories
- Soft toy

If you wish to donate 1 or 2 items we will be making up some boxes in school too. Also if you have any spare shoeboxes we would love to receive them.

If you would like to make a shoe box at home please follow the leaflet attached to this letter. Don't forget to sellotape £1 on the top to help pay for the transport costs to get the boxes where they are most needed.

Please bring your completed shoe boxes in on Friday 3rd November. That will then allow you half term to collect all the things you need.

We really appreciate your support with this valuable project and hope that together we can bring some happiness to those children who really need it.

Thank you

Mrs Brown and The Young MP'S
