Dear Parents and Carers

Chocolate donation - Non Uniform day 7th DEcember!

Our school has decided once again that we would like to continue sponsoring a child in Kenya helping them and their community with medical supplies and school equipment. The Young MP's have talked to their class and the children decided that they would like to hold a chocolate tombola.

We are asking that all children come to school in non-uniform on Thursday 7th December and bring with them a chocolate prize for our tombola.

The chocolate tombola will take place after school on Friday 8th December with each class having a tombola table.

We hope you can come and support this fun event and we can continue supporting this worthwhile cause.

Thank you for your continued support

Mrs Brown and the Young MP's
