Parent raffle

Dear parents and carers,

As you know, we are always looking for new ways to involve you in school life and like to invite you in to work and learn alongside your children as often as possible.

This year, we are starting an exciting new scheme alongside these invitations.

Each time you come into school to work alongside your child at an event or attend specially arranged classroom sessions you will receive a raffle ticket.

Every one of these tickets will be put into a box in the office and 3 tickets will be chosen at random every half term. The 3 winners will receive a family board game to enjoy at home together.

Raffle tickets will not be given out for attendance at parents evenings, performances or class assemblies, but will be given for events that involve working alongside your child in school.

We hope you enjoy this new scheme and look forward to seeing you in school as often as possible this year,

Thank you for your support,

Mrs Cornish
Deputy Headteacher
